

TOZER

PRICELIST 2025-2026

To help provide reliable service for our growing product line, **Tozer Seeds America** was founded in November of 2007, in beautiful Santa Maria, CA. Our location ensures quick response to all our customers' needs. In a constantly changing market, **Tozer Seeds America** can quickly adapt and provide solutions.

Tozer Seeds is the largest independent vegetable breeding company in the UK. We have sales/PD offices in the UK, Spain, Netherlands, and the US. Our US staff works closely with our global staff in various regions to ensure we provide quality varieties that adapt to different growing practices. For over 80 years, **Tozer Seeds** has built a reputation for breeding quality vegetable varieties backed with exceptional customer service.

The independent, family-owned status of **Tozer Seeds** allows the company to be responsive to the ever-changing requirements of growers and consumers. Our breeding programs focus on the needs of the market both today and the future.

Much emphasis is placed on breeding products with consistent performance in the field, which is why we conduct extensive trials both in our own facilities and with commercial growers worldwide. **Tozer Seeds** is committed to delivering products which achieve the best possible results and high-quality crops.

Here at **Tozer Seeds America**, we value our partners and strive to make business together easier, not harder. We pride ourselves on our customer service. Below you will find the contact numbers of key personnel in the event you need to be in contact.

Notice To Purchaser

REQUIRED ARBITRATION / CONCILIATION / MEDIATION

Under the seed laws of several states, arbitration, mediation, or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to which this notice is attached to produce as represented. The consumer shall file a complaint (sworn AR, FL, MS, SC, TX, WA; signed only CA, ID, ND, SD) along with the required filing fee (where applicable) with the Commissioner / Director / Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such time as to permit inspection of the crops, plants or trees by the designated agency and the seeds man from whom the seed was purchased. A copy of the complaint shall be sent to Tozer Seeds America, LLC by certified or registered mail or as otherwise provided by the state statute.

CREDIT POLICY

The following terms are offered to customers of established credit. All accounts are due and payable within Thirty (30) days of the invoice date. Thirty (30) days after the invoice date, unpaid accounts are considered past due and a finance charge of 1.5% per month (annual percentage rate is 18%) is added to the unpaid balance.

RETURN POLICY

We will charge a 5% restocking fee on the invoice value of the seed. All returns must be in original, unopened, undamaged containers with the labels and germ stickers legible. Seed over 30 days from the date of invoice will not be accepted for credit. Coated, enhanced, or special-order seed will not be accepted for return or credit. After 30 days the seed may be returned for storage.

MINIMUM ORDER REQUIREMENTS

Tozer Seeds America, LLC has a mandatory \$150.00 minimum charge per order. Orders placed for less than this amount will be charged \$150.00.

PRICING

Prices and availability are subject to change or withdrawn without notice. A 5% discount may apply to bookings - see agreement for details.

DOCUMENTATION CHARGES

US Phytosanitary Certificates - \$126.30	Certificate of Origins - \$25.00	Pallets - \$15.00 each
Miscellaneous Disease / Pathogen Testing	Associated Freight	ISTA Testing
Wire Fees - \$35.00	Custom Packaging Fees	Document Translation Fee - \$75

ORGANIC CERTIFICATION

Tozer Seeds America, LLC is currently certified organic through CCOF. A copy of the current certificate is available upon request.

CONTRACT BOOKINGS

All orders are subject to crop availability. In the event of a crop shortfall, all bookings will be pro-rated accordingly and must be taken within 60 days of offering. Any items not taken in the month they were booked will be made available to any customer without a current booking for that item, unless an agreement has otherwise been made with Tozer Seeds America, LLC.

SEED COATING/ENHANCING POLICY

We have working relationships with various coating/enhancing operations. If coating/enhancing is required, adequate time must be allowed for transportation, seed testing, and the coating/enhancement process itself. This process can take several weeks - please examine your needs prior to ordering. Custom coating/enhancing orders - please call for minimums per lot.

SHIPPING POLICY

All Sales are F.O.B. Santa Maria, CA. Customers will be billed shipping charges. COD orders will not be accepted. Internationally shipped items destined for the US may take 8-10 weeks to deliver.

STORAGE POLICY

Tozer Seeds America, LLC does allow free customer storage of small lots of seed in our warehouse; however, we do not accept responsibility for any seed in storage in case of fire, theft, and shortage of any kind. Tozer Seeds America, LLC also reserves the right to dispose of any seed in storage for 3 years or more. The company is not responsible for germination or physical damage to any seed in storage.

DISCLAIMER REGARDING VARIETY DESCRIPTIONS AND ILLUSTRATIONS

Descriptions and illustrations represent Tozer Seeds America, LLC's products as grown in our trial fields in various locations throughout the United States, Mexico, and the UK. Performance and appearance may vary under different growing conditions and in other geographical locations. It is advised to investigate whether differences may be expected in your growing region.

P.V.P. CERTIFICATE NUMBERS/UTILITY PATENTS AND TRADEMARKS

Plant Variety Protection Certificate Number/Utility Patents have been issued to some of our varieties. The terms of the Plant Variety Protection Act/Utility Patent state that unauthorized propagation is prohibited on these varieties. Tozer Seeds America, LLC may have one or more proprietary Trademarks associated with our varieties and unauthorized use of our Trademarks is prohibited.
